

A monthly report summarizing life science transactions in Washington State.

BY THE NUMBERS: (YTD) **101** TRANSACTIONS TOTALING OVER **\$4.88B**

NOVEMBER TOP TRANSACTIONS

Variant Bio has raised \$105M of Series B venture funding in a deal led by SoftBank Investment Advisers, putting the company's pre-money valuation at \$120M. Vulcan Capital and General Catalyst also participated in the round ([Pitchbook](#)).

Truveta has released a first version of its healthcare data platform and signed three new partners for its healthcare provider system. The total funding raised by Truveta also reached nearly \$200M ([Newsblock](#)).

Magnolia Neurosciences has raised \$18.39M of Series A venture funding from undisclosed investors. The company's proprietary therapeutics and drug-like small molecule neuroprotective medicines treat neuronal injuries ([Pitchbook](#)).

OTHER TRENDS & HIGHLIGHTS

Gates Foundation Redmond-based vaccine maker Inventprise is gaining serious backing from the Bill & Melinda Gates Foundation. The biotech company announced an investment from the foundation of up to \$90M, contingent on manufacturing, clinical, and preclinical milestones ([Seattle Inno](#)).

Chinook Therapeutics has announced the closing of its upsized underwritten public offering of 9,538,572 shares of its common stock at \$14.00 per share, which includes the exercise in full of the underwriters' option to purchase an additional 1,710,000 shares of its common stock ([Globe Newswire](#)).

Gilead and AWS collaborate on development and delivery of new medicines for patients. With AWS as its preferred cloud provider, Gilead uses AWS machine learning and analytics to better inform clinical trial design and advance data-driven decision making, while prioritizing patient privacy and security ([BioSpace](#)).

Anavasi Diagnostics will advance the commercialization of its rapid COVID-19 test with \$14.9M in funding from the U.S. National Institutes of Health, the company announced Tuesday. The startup also has raised \$6M from individual investors ([GeekWire](#)).
